

Job Offer: Mobile Affiliate Manager (Intern) - London

DESCRIPTION OF THE MISSION

TimeOne - Mobile is offering a position as a Mobile Affiliate Manager. This is an opportunity to manage international clients and be part of an international company with a multicultural team.

The Mobile Affiliate Manager will play a crucial role including:

- Monitor and optimize performance of campaigns
- Representing **TimeOne - Mobile** at trade shows and other industry events
- Manage key international affiliate relationships, actively cross-mapping publisher and advertiser programs, introducing new products & technology partners, and encouraging and supporting publisher launches into new markets
- Utilise ComScore, Alexa, other tools, and industry press to identify publishers with good potential & recruit them to the network.
- Deal with incoming international publisher leads/enquiries from local markets and Client Services
- Developing **TimeOne - Mobile** key Publishers accounts and increase their revenue
- Contributing to building **TimeOne - Mobile** service and brand awareness

PROFILE

- Previous experience in Affiliate Marketing
- Determined self-starter with a positive attitude
- Ability to work hands on in a start-up environment
- Ability to work under pressure and to meet deadlines
- Can show initiative, drive and enthusiasm.
- Innovative problem solver
- Strong organizational skills

- Excellent presentation and negotiating skill
- Good communication skills using all relevant media.
- Excellent numeric and analytical skills and capacity to turn insight into actions
- Technical knowledge of digital marketing systems
- Skills Fluent in English.
- Min Bachelor degrees

PACKAGE

- Based on candidates experience
- Bonus
- This position will be based in United Kingdom
56 - 58 Clerkenwell Road EC1M 5PX London
